## **Pet Policy**

**You are responsible for the actions of the pet at all times. You agree to abide by the following rules:**

Pets must be inoculated according to state and local laws and must be registered before entering the premises. You will need to update the registration annually. We may refuse to register the pet if the owner cannot comply with any of the provisions in this Agreement. You agree that the pet will not disturb the rights, comforts, or conveniences of neighbors or other residents, whether the pet is inside or outside your dwelling unit. The pet shall not be tied to any fixed object outside a dwelling unit, including but not limited to patios, walkways, stairs, stairwells, or any other part of the development. Pets shall not be allowed to roam freely outside a dwelling unit. Your pet must be fed and watered inside the dwelling unit, and pet food or water may not be left outside at any time. Your pet must be on a leash and under your control (leash in hand) when outside the dwelling unit. When passing by another resident, your pet should not be able to move more than one foot away from you. Unless we have designated a specific area in a dwelling unit or on the grounds for the discharge of pet urine and feces, no pet shall be allowed to relieve themselves anywhere on the development, including but not limited to dwelling units, walkways, stairs, podium areas, stairwells, or other places. Cat discharge is permitted inside a dwelling unit but shall be done in commercial-type litter boxes with “kitty litter” type mix. If pet discharge occurs anywhere on the development property, you shall be responsible for immediately removing the waste (washing area if necessary) and repairing any damage. In addition to the foregoing provisions hereof, you shall comply with all applicable local ordinances regarding pet discharge.
