

SITE-BASED WAITING LIST FREQUENTLY ASKED QUESTIONS

1. What do I have to do to register on the Site-Based Waiting List(s)?

First you must create a Los Angeles County Development Authority (LACDA) Housing Application Registration Portal (HARP) account to complete your online registration. Please visit <https://harp.lacda.org/ex/NewApp.aspx> to register. You will then make your waiting list choice(s). If you do not have access to a computer, please call (626) 586-1845 for assistance.

2. What should I consider when choosing the specific Site-Based Waiting List(s)?

You should consider the same elements you would if you were looking for an apartment on the open market. These include neighborhood, access to transportation, employment, schools, as well as supportive services that may be available at each housing development, including the accessibility features available. For development descriptions, please visit <https://www.lacda.org/program-announcements/ph-wait-list-opening>.

3. How long are the Site-Based Waiting Lists open?

The LACDA's Public Housing Program will be accepting registrations for seven seniors only Site-Based Waiting List(s) and five family Site-Based Waiting List(s) between April 15, 2024, at 8:00 a.m. through April 30, 2024, at 5:00 p.m. **These waiting lists are not for the Section 8 Program.**

4. What if I choose a public housing development that does not have units with the right number of bedrooms for my household?

Registrants may choose, based on eligibility, to register at one or any of the senior or family Site-Based Waiting List(s). Based on a family's composition, the system will predetermine the bedroom size and site(s) for which you are eligible.

5. Once I'm registered, how long do I have to wait to receive an application?

All applicants will be selected from each waiting list in order of admission preferences and then by date and time registered. The length of waiting time will vary because of the site's unit availability. In order to better serve applicants on our waiting lists and to expedite the process, you will only be given **ONE** unit offer.

6. What if my application is selected from the waiting list, and I decline a unit offer?

If you are determined eligible and are offered a unit from any one of the waiting lists that you have selected and you reject the unit, YOUR NAME WILL BE REMOVED FROM ALL OTHER SELECTED SITE-BASED WAITING LISTS. It is important that you only register for locations in which you are willing to reside.

7. What if I relocate or have changes in my family composition, do I have to report it?

Yes. If you move, or have any changes in your family composition, you are required to report the changes in writing within 30 days of the occurrence. To submit your changes, please visit us at <https://harp.lacda.org/ex/NewApp.aspx> to update your HARP account or send the update to:
