In accordance with Government Code Section 54222, you have sixty (60) days from the date this offer was sent via electronic mail and posted on the LACDA website to notify the LACDA of your interest in acquiring the property. However, this offer shall not obligated the LACDA to sell the property to you. Instead, the LACDA would enter into at least ninety (90) days of negotiations with you pursuant to Government Code Section 54223. If no agreement is reached on sales price and terms, or lease terms, the LACDA may market the property to the general-public.

As required by Government Code Section 54227, if the LACDA receives more than one letter of interest during this sixty (60) day period, it will give priority to entities proposing to develop housing where at least 25 percent of the units will be affordable to lower income households. If more than one such proposal is received, priority will be given to the proposal with the greatest number of affordable units. If more than one proposal specifies the same number of affordable units, priority will be given to the proposal that has the lowest average affordability level.
