

LEARN THE BENEFITS OF THE LACDA'S ONLINE TOOLS

The Los Angeles County Development Authority (LACDA) encourages owners to take advantage of the convenience of its online tools, like the LACDA website and the Rent Café Owner Portal. The LACDA's Section 8 website contains an entire section dedicated to owners where you can find frequently asked questions and information regarding leasing to a Section 8 family, Housing Quality Standards (HQS) inspections, and other informational resources.

Also, the LACDA's Rent Café Portal allows you to perform tasks online, such as booking a virtual appointment and viewing Housing Assistance Payments (HAP). Both of these online tools allow you to have 24/7 access to important forms and information.

Remember: If you had an existing Portal account, you will have to re-register for the Rent Café Portal. Please refer to your personal registration notice and number provided by the LACDA when registering. If you did not receive a registration notice and number, please email the LACDA at RentCafePortal@lacda.org for registration assistance.

LEASE CHANGES

In order to ensure that families and the LACDA each pay the proper amount of rent, it is very important that the LACDA receives accurate and timely information about any changes to your lease agreement.

Once the changes are received by the LACDA, you may be required to enter into a new HAP contract.

Changes that would require you to enter into a new HAP contract are:

- Changes in the lease governing utility responsibilities and provisions for appliances;
- Changes in the lease governing the term of the lease; and
- A move by the family to a new unit, even if the unit is in the same building complex.

A new HAP contract will require a new lease, a rent reasonableness review, and possibly a HQS inspection.

OWNER ENGAGEMENT HOUR

We know you have questions; we're here to provide answers.

The Owner Engagement Hour will occur twice per month and provide an opportunity to hear about program updates. LACDA staff will also be available to answer any questions you have on topics such as LACDA incentives, inspections, rent increases, and more.
