

DO YOU USE THE LACDA'S ONLINE TOOLS?

The Los Angeles County Development Authority (LACDA) encourages tenants to take advantage of its convenient online tools, such as the LACDA website and the Rent Café Tenant Portal. The LACDA's website contains an entire section dedicated to [Section 8 tenants](#) where you will find frequently asked questions and information regarding inspections, how to report income changes, and other informational resources.

In addition, the LACDA's [Rent Café Portal](#) allows you to perform tasks online, such as submitting income and family composition changes and completing your annual re-examination. Both online tools allow you to have 24/7 access to important forms and information regarding your rental assistance.

Reminder: If you had an existing Portal account, you will have to re-register for the Rent Café Portal. You may refer to your personal registration number provided in the registration notice mailed to you in December 2021. If you need your personal registration number, you may email the LACDA at RentCafePortal@lacda.org.
