

NEW ONLINE RENT CAFÉ PORTAL COMING JANUARY 2022

The Los Angeles County Development Authority (LACDA) is going green by moving towards becoming paperless. The LACDA will be conducting the majority of business online through its new online Rent Café Portal.

Accessing the new online Rent Café Portal will be as simple as logging into your email. The online Rent Café Portal will allow you to:

- Complete your annual re-examination online;
- Submit changes in income and family composition; and
- View inspection information.

If you already have an existing Portal account, you will have to re-register for the new online Rent Café Portal. Notifications will be mailed soon with additional information.

COUNTY OF LOS ANGELES
Public Health

When we get vaccinated, we aren't just protecting ourselves, but also our family, friends, and neighbors. This includes people who are not yet fully vaccinated or those at higher risk of getting severe disease if they get infected.

The more people to get vaccinated, the less likely that COVID-19 will spread or that new variants of the virus will take hold. You can do your part to help stop the pandemic by getting vaccinated. Learn more at [VaccinateLACounty.com](https://vaccinate.lacounty.com).
